

COOKIE POLICY

General Information

EPA Teknoloji ve Otomasyon Makineleri Sanayi Tic.Ltd. (“EPA AKIN”) collects personal data through cookies on the websites www.epaakin.com and www.epaakin.com.tr (“Website”). This Cookie Policy has been created to inform the visitors of our Website about the cookies used by EPA AKIN and the purposes of their usage.

The Cookie Policy may be amended if deemed necessary in accordance with the applicable legislation and EPA AKIN's practices. You can always find the latest version of the text on our Website. For detailed information on the processing of your personal data, please review the Information Notice on the Protection of Personal Data.

Types of Cookies and Purposes of Use

Cookies are text files placed on visitors' computers by websites they visit. They are widely used by almost all websites to ensure the effective functioning of the websites, cater to visitors' preferences, and provide information to the website administrators.

EPA AKIN monitors your browsing information on the site and/or your membership usage history to provide personalized promotions, offers, and marketing, improve the content of the website or mobile application according to your preferences, and/or identify your preferences. We use cookies to determine the preferences of our visitors, identify demands for specific pages, improve the user experience of our Website, keep our services secure, and conduct online behavioral advertising activities.

Our Website uses cookies such as Google Analytics, an analysis service provided by Google Inc. (“Google”), to track pages visited, SearchSession, Google DoubleClick, _gid, WSS_FullScreenMode, and sisecam_kurumsal_cookie. These cookies involve "identification information," which are text files saved on your computer that enable the analysis of how you use the website.

The information generated by these cookies regarding your use of the website is transmitted to and stored on a server in the USA by Google. Upon the instructions of the operator of this website, Google uses this information to evaluate your usage, compile reports, and provide related services. If you do not want these cookies to be stored, you can adjust the settings in your browser accordingly.

Cookie Management

Most internet browsers are set to automatically accept cookies by default. If you do not want to use these tools, you can disable them through your browser settings. However, please note that in such a case, you may not be able to fully use all functions of our Website.
